AKC National Owner-Handled Series

(Remember to check the box near the bottom of the entry form)

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form. Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS.

Eligible dogs will be identified by an asterisk in the judge's book, steward's book and the catalog. Dogs must be handled throughout the breed level competition for the regular show by an eligible owner. Professional handlers*, household members and current assistants** to professional handlers may not exhibit the dog in any NOHS competition during the entire show. For a detailed description of the National Owner-Handled Series, please visit the AKC website NOHS pages at:

https://www.akc.org/sports/conformation/national-owner-handled-series/

*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.

**A current assistant is defined as anyone employed by a professional handler on a full-time basis or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.

Attention Owners/Exhibitors of Foreign Registered Dogs

If you are the owner/exhibitor of a dog registered with a foreign registry (not yet dual registered with AKC) please review the eligibility requirements in The Rules Applying to Dog Shows, chapter 11 section 1. The dog show rules are posted on the AKC Web site at: http://images.akc.org/pdf/rulebooks/RREGS3.pdf Most important to note are the following:

- 1. Dogs must be individually registered with the American Kennel Club by the day of the event to be eligible for exhibit in the Bred by Exhibitor class.
- 2. Dogs are eligible to compete in AKC events using the foreign registration for a period of 30 days. That 30-day period begins with the date of first exhibit, regardless of whether the dog earned any points or awards. To continue to compete in AKC events beyond the initial 30-day period the dog must be either individually AKC registered or by the date of the event have been granted an extension to exhibit using the foreign registration. The owner or agent can request an extension using the form found on the AKC Web site at: http://images.akc.org/pdf/extenap.pdf

If you have questions or need assistance with registration or obtaining an extension, please contact the AKC Special Services Department at: awards@akc.org or (919) 233-9767 (followed by selecting option 4).
